

Bachelor of Science in Organizational Leadership (ORGL) for Law Enforcement Professionals

Program Overview

- The University of Charleston's Organizational Leadership program is an accelerated bachelor's degree completion program specifically for working Law Enforcement Professionals.
- Law Enforcement pay \$250 a credit hour (35% discount off tuition rate).
- Training is delivered in progressive 100% online training modules using distance learning technology.
- Can transfer credit hours from previous LE training, courses, and military experience.
- The flexible program is focused on working adult professionals.
- A convenient format combining online meetings, facilitated weekly discussions, team projects, and individual assignments.
- All materials and resources for ORGL prefix course are offered at no cost.
- Designed to provide the necessary skills and knowledge to lead in various settings.
- Learn from dedicated and student-oriented faculty members who have worked in Criminal Justice/Military leadership roles and who are committed to your success.

Law Enforcement Professional can receive transfer credits for prior training, courses, and level of rank.

- Commissioned Officer under 1 year = 66 credits.
- Commissioned Officer over 1 year = 69 credits.
